LAND USE APPLICATION

SMC CHAPTER 25.08

## Shoreline Substantial Development

A Substantial Shoreline Development permit is required for any development which does not meet the specific shoreline exemptions established by WAC 173-27-040. Activities requiring this permit include, but are not limited to new docks/piers valued at more than \$10,000; single family homes built for subsequent sales, any development worth more than \$6,416.00.

Please provide a letter describing your proposal and the general vicinity, total project cost, (i.e., a receipt or bid indicating fair market value of labor, equipment and materials) and demonstrate on a development plan the following information as outlined in WAC 173-27-180:

1. Boundary of parcel and land upon which the development is proposed.
2. Name of water body.
3. Ordinary High Water Mark location<sup>5</sup>.
4. Environmentally critical area delineations.
5. Vegetation characteristics.
6. Structures, improvements and uses both existing and proposed for subject site and adjacent properties (Including: identification, locations & dimensions).
7. Landscape plan<sup>3</sup>.
8. View impacts<sup>3</sup>.
9. Fill and grading (Including: quantity, source, composition & destination).
10. Elevations (Including: 100-year flood at 33 feet per FIRM datum).
11. Land contours (existing & proposed).
